

Serial No. 10/511,402  
Filed: May 3, 2005

### **REMARKS/ARGUMENTS**

Reconsideration of the above application in view of the above amendments and the below remarks is requested. Claims 4, 5, 6 and 14 have been amended and new claims 15 to 17 have been added.

In the Office Action, the Patent Office rejected claims 4 and 6 under 35 U.S.C. § 112, second paragraph, as allegedly being indefinite; objected to claims 5 and 14 for informalities; and allowed claims 1 to 3 and 7 to 13.

With the above amendments, applicants have addressed the concerns of the Patent Office regarding the Section 112 issues and the formalities. Claim 15 deals the Section 112 issue of claim 4; claims 16 and 17 with the informalities of claim 14.

Applicants submit that the concerns of the Patent Office have been addressed. Withdrawal of the rejections and issuance of a Notice of Allowance is respectfully solicited.

Respectfully submitted,
